New Business:

Scott Pollard asked that 2 items be put on the January Agenda. They are:

- 1) The Watering Troth for horses at Malabar Trail Head is very rusted.
- 2) Palm Tree at Trailhead Park, just west of the fire ring needs to be brought down.

Korn stated that the roof on the large pavilion at the community park had to be patched for leaks, and our Councilman Brian Vail has agreed to donate metal roofing for this pavilion. Kemmler – let’s put this on as a discussion item for our next meeting.

Korn - Maybe we should have one person on the Board checking each of our five parks each month. Hans – The Disk Park looks good. Josh Treadwell will check the main park before our next meeting. Hans - all the crab grass has been taken out of the main park and looks good. Each person will report at our next meeting on the parks that they are checking.

Hans – There still are no gates across each end of the east/west boundary canal trail. Both Palm Bay and Malabar agreed to close this off to vehicles but it hasn’t been completed yet. A gate can be made for emergency vehicles to get through but closes down to wheelchair size and nothing bigger can get through. We will bring this up at our next meeting also.

Korn – Do we want to make any recommendation to Council for filling the vacancy on our Board? I feel that it should be filled from one of our alternates. MaryAnn Mash has filled out an application for a position on the board, and Chuck McClelland will handle this since she is in his district. Korn feels that one of our alternates should be moved up to fill the permanent position on the board. Hans asked the alternates if either of them would like to run for the permanent position on the board. Josh Treadwell stated that he would be glad to run for a permanent position.

**Motion: Scott Pollard nominates Josh Treadwell to be moved from alternate to regular position of the Park and Recreation Board. Bob Siegmann seconds the motion.**

**Discussion: None**

**Vote: All Ayes**
