A 55 minute presentation was given to Council and the Planning & Zoning Advisory Board by Mr. Phil Laurien.

Mayor opened the floor to the Council and the Planning & Zoning Advisory Board to ask questions. Mr. Cameron had comments and questions regarding the implementation time from the start of wanting to participate to making it happen. Mr. Laurien stated there is a process that must be followed with participating and making contact with agencies involved and the surrounding communities. Mr. Wilbur made comments regarding the E.A.R. that was just completed and could these ideas be linked to this plan. Mr. Laurien advised that this would in no way have anything to do with the E.A.R amendments; it's a way for the Town to look and see if they want to be more definitive in the future growth of Malabar.
