### TOWN OF MALABAR

### PARKS AND RECREATION BOARD MEETING

#### AGENDA ITEM NO: <u>5.a</u> Meeting Date: <u>November 15, 2022</u>

Prepared By: Richard W. Kohler, Town Clerk

**SUBJECT:** Approval of Minutes of 10/19/2022

#### BACKGROUND/HISTORY:

a. Summary of actions at the Parks and Recreation Board Meeting of 10/19/2022

#### ATTACHMENTS:

a. Draft Minutes of the 10/19/2022 Parks and Recreation Board Meeting

#### **ACTION OPTIONS:**

a. Request Approval

The following draft minutes are subject to changes and/or revisions by the Park Board and shall not be considered the official minutes until approved by the Park Board.

#### TOWN OF MALABAR – PARKS AND RECREATION ADVISORY BOARD October 19, 2022, MEETING MINUTES

This meeting of the Malabar Parks and Rec Board was held at Town Hall at 2725 Malabar Road. It was called to order by Chair Bienvenu at 6:00 pm. Prayer and pledge were led by Chair Bienvenu.

#### 1. CALL TO ORDER, PRAYER, AND PLEDGE

2. ROLL CALL

Chair	Eric Bienvenu - Present
Vice-Chair	Vicky Thomas – Present
Members	Tom Taylor – Present
	Jennifer Bienvenu – Present
	Hans Kemmler - Present
	Parnel Jean – EXCUSED
	Evan Hall – Present
<b>Recording Secretary</b>	Richard Kohler – Present

Public

#### 3. ADDITIONS/DELETIONS/CHANGES: NONE

- 4. CONSENT AGENDA
  - a) Approval of Minutes of 4/20/2022 <u>MOTION: Thomas/Bienvenu to accept the minutes of 4/20/2022 as amended.</u> <u>VOTE: All Ayes</u>
- 5. PUBLIC COMMENTS
- 6. ACTION ITEMS:
- 7. DISCUSSION:

#### a. Fiscal Year 2022/2023 Goals

Secretary Kohler gave a brief overview of the projects discussed in the last year. Chair Bienvenu gave a brief explanation of the dog park project. VC Thomas stated that in her research, she didn't find much support from residents. BM Kemmler asks which location would get more use for the pavilion? Consensus is Cameron Preserve. VC Thomas states Eschenberg Park has more parking and gets use from several road bikers. BM Taylor states the use of the park has increased. BM Kemmler states that the pavilion at Huggins Park was never used, and when we moved it to the Golf Sanctuary it got lots of use. VC Thomas states that putting a pavilion at Eschenberg could turn it into a park where people can have parties and events. BM Taylor states he believes the current suggested pavilion is too small to protect people from rain or summer sun. BM Bienvenu states this quote covers exactly what the Board asked for. BM Taylor suggests changing the specs to be larger. BM Kemmler suggests keeping the same specs. BM Hall states if it is going in at Eschenberg, the risk of fire is less likely. BM Bienvenu states the quickest way to get a pavilion is to ask Council to support the current quote.

#### BM Bienvenu/BM Kemmler Move to recommend to Council that the quoted pavilion from Pro Playgrounds be purchased, to be installed in Eschenberg Park.

Motion Carries 4-1 (Taylor Nay)

#### 8. OLD/NEW BUSINESS:

- a) BOARD MEMBER/STAFF REPORTS:
  - Richard E. Cameron & Volunteers Wilderness Preserve VC Thomas thanked the Trails and Greenways Committee for their hard work at the Cameron Preserve. They expedited the clean up after the Storm. Berry pickers have made a mess, but it has been cleaned up. Use of the park has increased a lot. BM Kemmler installed a few posts under the picnic bench there and it works very well. She would also support a smaller pavilion in the preserve, possibly with a veteran's memorial. Chair suggests combining forces with the T&GC to get a pavilion there eventually. She also thanked the Public Works department for their maintenance of the area.
  - Disc Golf Sanctuary BM Kemmler states the sanctuary is in good shape. They are working on updating their signs. The crew has worked to remove all palm fronds knocked down during Ian. The PW crew has done an excellent job mowing and maintaining the area. There is still a pile of debris on the third fairway.
  - Thomas Eschenberg Memorial Conservation Area None.
  - Malabar Community Park BM Bienvenu asks about the Malabar Historical House. BM Kemmler states there has been no progress.
  - Sandhill Trail Head BM Hall states the park was carpeted with palm fronds, but they have been removed. There have been some negative actors in the area, but they have been removed.
  - BM Kemmler suggests improving the Town Seal outside Town Hall. VC Thomas suggests making the PW position part time to allow people to take it on as a second job. BM Taylor suggests using an outside contractor to fill PW positions.
- b) Staff Reports Secretary Kohler informed the Board that the Trails and Greenways Committee has purchased and will be installing several signs in and around the Cameron Preserve. Staff has received increased reports of vagrants in the parks, particularly Sandhill Trailhead. BCSO has been notified. He also informed the Board that Alternate Member Parnel Jean will not be renewing his membership, citing an increased workload. He stated that when his work schedule returns to normal, he looks forward to rejoining the Board.
- c) Next Scheduled Meeting

• November 16<sup>th</sup>, 2022, 6 PM

#### 9. ADJOURNMENT

There being no further discussion. **MOTION: Bienvenu/Kemmler** motion to adjourn the meeting **VOTE:** All Ayes. This meeting adjourned at 6:54 pm.

By:

Eric Bienvenu, Chair

Date Approved: \_\_\_\_\_

Richard W. Kohler Recording Secretary

# NOTE: THERE MAY BE ONE OR MORE MALABAR ELECTED OFFICIAL ATTENDING THIS MEETING

If an individual decides to appeal any decision made by this board with respect to any matter considered at this meeting, a verbatim transcript may be required, and the individual may need to ensure that a verbatim transcript of the proceedings is made (Florida Statute 286.0105). The Town does not provide this service. In compliance with the Americans with Disabilities Act (ADA), anyone who needs a special accommodation for this meeting should contact the Town's ADA Coordinator at 321-727-7764 at least 48 hours in advance of this meeting.

### **TOWN OF MALABAR**

### PARKS AND RECREATION BOARD MEETING

#### AGENDA ITEM NO: 7.a Meeting Date: November 15, 2022

#### Prepared By: Richard W. Kohler, Town Clerk

#### **SUBJECT:** FCT Grant Agreement Amendment

#### BACKGROUND/HISTORY:

- a. Florida Communities Trust (FCT) provided Malabar \$40,445.00 in restricted funds for the transfer of the property known as Fern Creek Park.
- b. In April of 2020, an agreement was signed by the Town that required the following enhancements be provided at FCT properties around Town:
  - a. New Pavilion
  - b. Bird Watching Platform/Deck
  - c. Two Foot Bridges
  - d. New Plant and Wildlife Identification Signs
  - e. Dog Park Area (Fencing, Water Source, Trash Receptacles)
- c. It has since been determined that the funding provided would be inadequate to accomplish all the above listed tasks.
- d. The Parks and Recreation Board has selected and made a recommendation to Council to purchase a \$39,278.20 pavilion for Eschenburg Park. That leaves \$1,166.80 to develop the remaining items.
- e. Malabar Town Council has already stated a Dog Park is not a current priority, leaving the New Plant/Wildlife Identification signs, and two foot bridges.
- f. The FCT has agreed to review an amended agreement, and has requested the Town provide:
  - a. A revised list of improvements, including a brief description.
  - b. An estimated Date of Completion (Month and Year).
  - c. A dollar amount. (Estimate for pavilion)
  - d. Include backup documents and a conceptual site plan.

#### ATTACHMENTS:

- a. Original Signed Agreement with FCT
- b. Email from FCT Employee to TM Stinnett
- c. Quote for Pavilion

#### **ACTION OPTIONS:**

a. Discussion

The East 200 feet of the North one-quarter of Lot 32, Section 2, Township 29 South, Range 37 East, PLAT OF FLORIDA INDIAN RIVER LAND COMPANY SUBDIVISION, as recorded in Plat Book 1, Page 165, Public Records of Brevard County, Florida, LESS the North 35.0 feet and the East 35.0 feet for road, utility, and drainage right of way and subject to easements and road rights of way of record.

The remaining parcels subject to the restrictions in the Grant Award Agreement recorded in the Official Records of Brevard County, Florida, at book number 3975, page 2450 will remain encumbered by the covenants and restrictions set forth in that Agreement.

In addition, the Town of Malabar is required to use the condemnation award in the amount of \$40,445.00 for the following enhancements to the remainder of the Project Site:

- New pavilion;
  - Bird watching platform/deck:
  - Two foot-bridges;
  - New plant and wildlife identification signs and
  - Dog park area (fencing, water source, trash receptacles).

Failure to use the condemnation award on the facilities described above will constitute a default under the original Grant Award Agreement and this Amendment.

IN WITNESS WHEREOF, the said grantor has caused these presents to be executed in its name by its Chair, the date first above written.

- Subject: RE: Malabar Grant
  - Date: November 4, 2022 at 9:46 AM
    - To: Matt Stinnett TownManager@townofmalabar.org
    - Cc: Reeves, Linda Linda.Reeves@FloridaDEP.gov, McMahon, William William.McMahon@FloridaDEP.gov, Roaza, Erin Erin.Roaza@FloridaDEP.gov, LaSeur, Lois Lois.LaSeur@FloridaDEP.gov, Jones, Ramsey L Ramsey.L.Jones@FloridaDEP.gov

Good Morning Matt:

I have researched our files to get background on this issue. I do see a way forward.

But first, a brief discussion of the amended grant agreement. By virtue of the fact that the five improvements are expressly stated in the amended agreement, FCT considers that list to be a commitment on the part of the Town. To state clearly, the five improvements are required elements of the amended agreement. Thus, the Town would be obligated to complete all five facilities.

Given the costs involved and the fact that the Town Council has already taken the dog park off the table, it is clear that an amendment to the Amended Grant Agreement is necessary. Before we can begin drafting an amendment, we need to come to agreement on a more detailed list and description of improvements to be funded by the \$40,445 FDOT payout. Please provide a revised list of improvements, including a brief description of the improvement, an estimated date (month and year) of completion for the element and a dollar amount. Include any backup documents that you think necessary, such as the estimate on the pavilion. Also include a conceptual site plan showing the location of the improvements. Make certain this list exhausts the \$40,445 payout.

FCT will review the proposed list of improvements. We may (or may not) have comments or suggestions on the revised list. Once FCT approves the list, we will draft an amendment for execution.

We look forward to working with you to bring this issue to resolution. Let me know if you have questions

Thank you.

#### Model: Steelworx Hip Shelter, 12' x 24' Model # HP-1224-SW

**Manufacturing Mission:** To provide all prefabricated components and installation instructions for a 12' wide (measured from eave to eave) by 24' long free standing bolt together, tubular steel constructed shelter kit.

**Design Criteria:** Structure is typically designed for a 25 lb live load and a 90 mph wind load capacity, but can be designed based on specific site requirements upon request . All structural members are ASTM A-500 U.S. grade B steel. Welded connection plates shall be ASTM A-36 hot rolled steel. All welding performed to latest AWS standards by ASTM Certified welders and provided in accordance to same.

**Tubular Steel Columns and Beams:** Standard column dimension shall be 5" x 5" x 3/16" tubular steel welded to 5/8" base plate. Main support beams are 7" x 5" x 3/16" and purlins are 6" x 3" x 1/8". All framing connections are done using A325 grade bolts within concealed access openings from above and will later be concealed by the roofing. All roof framing shall be flush against the roof decking to eliminate the possibility of bird nesting. Steel sizes are preliminary and may change upon final engineering based on actual site conditions and load requirements (site specific engineering shall be an additional cost).

**Roofing:** 24 Ga. pre-cut steel panels with Kynar 500 finish in a variety of colors with white underside. Standard roof slope is a 4/12 pitch with a eave height of 8'-0". Also available with 6/12 or 8/12 pitch roof. Attached to structural framing with engineered strength self tapping screws.

**Frame Finish:** All steel framework will receive a corrosion protective TGIC Polyester powder coat, electro-statically applied and cured at 400°F. A large selection of standard colors are available.

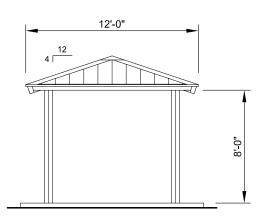

**Foundation:** All columns need to be anchored to concrete footings (footing design provided separately). Columns can be surface mounted with anchor bolts at or below finish slab elevation or they can be embedded directly into the footing. Optional base plate covers are available at an additional cost.

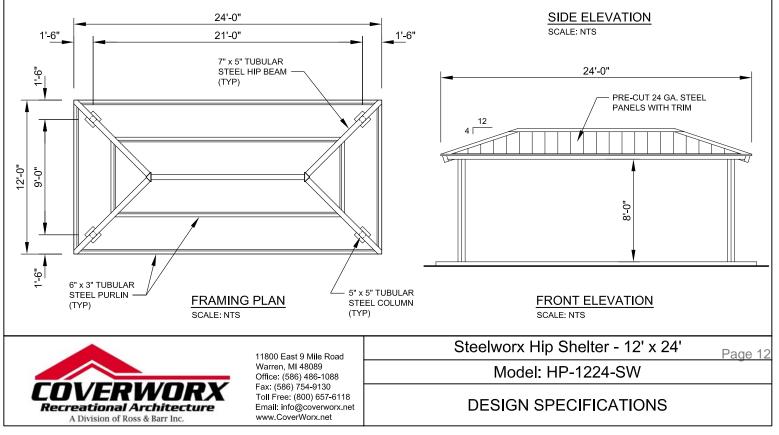

Hardware: All structural hardware and roofing fasteners shall be provided.

Not Included: Concrete work of any kind, unloading of product and installation.

#### Additional Options:

- Flexibility of Design
- Such as: Height and Pitch
- Additional Engineering
- Variety of Colors
- Decorative Railings, Lattice, Braces, Trim, etc.
- Cupolas and Rooftop Accs.
- Column Style Variations
- Lexan Wind Screens
- Standing Seam Roofing
- Composite Finished Ceiling
- Solar Panels & Solar LightingSite Furnishings and Accs.

#### **Equipment and Products**

When you purchase playground equipment from us, you're buying direct. This means that you are getting the absolute lowest price possible. We do not utilize sales reps, middle men or distributors like many of our competitors do, this gives you more purchasing power. We have hundreds of playgrounds available for purchase and can custom design most anything to meet your needs. We have a vast product offering including shade structures, site amenities and playground surfacing like artificial turf and poured in place rubber.

#### Installation

We are one of only a few companies in the United States that actually service and install the products we sell in house. This means that the person you speak to when you buy your playground may very well be the person who installs it. Our competitors use local sub contractors, many of whom know nothing about installing a playground or playground safety, and worse many of whom are unlicensed, uninsured and a high risk.

#### **Services**

We are truly a full service parks and recreations firm. We take care of every aspect of your playground project in house, from the design, to the sale to the installation. We have in house capabilities that are unmatched by our competitors. From traditional construction needs like sidewalks, to the safety surfacing including poured in place rubber and rubber turf, a single contractor with a huge list of capabilities. Our competitors subcontract these services, that means higher prices, lower quality, longer lead times and a lack of accountability.

#### Licensing

We are State Certified General Contractors and licensed Playground Safety Inspectors. This means that we have the knowledge, experience and legal ability to complete your project. Many firms that install playground equipment are unlicensed, inexperienced and uninsured.

#### Experience

We have designed and installed over 100 playgrounds in the USA, from start to finish. We have experience with projects as small as \$5,000 and as large as \$500,000. Our firm has provided expert testimony in court cases involving playground equipment. When it comes to playgrounds, we are the experts.

#### **Accountability**

We still believe that the customer is always right. We also feel that our responsibilities to our customers do not end once we have completed a sale, in fact that's when they truly begin. Our service after the sale in unparalleled. If you have any problems or issues with your equipment, we resolve the problems in house. Our competitors have only one concern and that is closing the sale.
