**Exhibit:** Agenda Report No. 7

**Recommendation:** Discussion – Direction to Staff

CM Vail has requested this. It is very hard for PW to keep up with their tasks. Historically Council has been back and forth on this issue. He would like clarification. It is the obligation of the property owners to maintain. Try to encourage the property owners to understand the requirement, if it can be done with normal residential maintenance equipment. Doesn't want to make it harder on people or create problems.

Rivet said he supports encouraging requesting maintenance, but he does not support requiring it.

CM White said most of the developed properties do take care of the property. Perhaps talking to those with improved property and a flat area outside the property line; maybe there is another reason preventing them from maintaining. He also supports requesting but not requiring.

Jim Roulston explained he reduced the slope on the banks of the ditch in front of his property, so he can mow them and get in there with a week Wacker. It is our ROW and our ditches and for those that are deep, maybe we can get the slope mower and lesson the slope and mow the front area. He also suggested reminding property owners to get the house number on the front of the house or fence or mailbox for emergency response purposes.

CM Vail said with standard mowing equipment. If we do come up with areas that are flat, and they are not adjacent by property owner. He has tried to reinforce it from council and as a person – help us help you. If the town mows it with a flail mower about three months. CM Ball said we need to stay with the way we are doing things

Susan Shortman has noticed the debris that WM is leaving. That makes the Town looks bad. They don't come every week and there are piles left regularly. Everything they can't pick up quickly gets left. That makes it hard to mow the ROW.

Mayor asked if they wanted the proposed language to change the section in Chapter 11 on for first reading at the next meeting. Consensus of Council to take no further action. Leave it at staff to encourage it. Attorney said the current section of code does not refer to public ROW. CM White said he googled real property.

Dorthea White, asked if a neighbor volunteered to work around a neighbor's ditch and fell in, would the Town be held liable?

Consensus to change code to add public ROW but no other additions.

**N. PUBLIC COMMENTS: General Items (Speaker Card Required) none**

**O. REPORTS – MAYOR AND COUNCIL MEMBERS**

CM Ball: its hurricane season and he is hardening up his properties. He is getting his palm trees trimmed.

CM Vail: nothing

CM Rivet: week old email on continuation of replumbing of ditch on Flashy – do we have any idea of the schedule. TA said that cleaning of that ditch is on calendar this month.

CM Korn: excused

CM White: Wanted it in minutes that paint on the dais looks great. Dorthea has painted the sign for Public Works site. Once PW gets the posts, he will paint them.

Mayor: nothing.

**P. ANNOUNCEMENTS: Openings on Bd of Adjustment and Park and Recreation Bd.**

**Q. ADJOURNMENT:**

There being no further business to discuss and without objection, the meeting was adjourned at 8:25 PM.

# TOWN OF MALABAR AGENDA ITEM REPORT

**AGENDA ITEM NO: 3**  
**Meeting Date: July 15, 2019**

**Prepared By: Debby Franklin, C.M.C., Town Clerk/Treasurer**

---

**SUBJECT: Petition to Remove Stop Sign at Corey and Benjamin Roads**

**BACKGROUND/HISTORY:**

This was added to the June 3, 2019 Council meeting and Council consensus was to bring this back for further discussion at this meeting. CM Korn felt the BCSO should be informed of these petitions and for the need for monitoring of this intersection to enforce the traffic rules in Malabar.

**ATTACHMENTS:**

Petitions  
Portion of minutes from 6/3/19 meeting

**ACTION OPTIONS:**

Discussion and Direction to Staff

Portion of minutes from 6/3/19 meeting:

3. **Petition to Remove Stop Sign at Benjamin and Corey Roads.**

CM Korn wanted this to be discussion. Need to get sheriff involved. CM White said we should hear from the other residents. Perhaps put something in the newsletter. CM Korn said the stop sign is a traffic control device and if drivers are not obeying then we need to let BCSO know so they can do enforcement. Put on for Discussion at July 15 meeting.

**Speaker:** Susan Shortman, Ivey Lane. Came to an abrupt stop at that intersection. Thinks it is true for a lot of people that travel on Corey and Weber to avoid Babcock. The people new to that road are not expecting a stop sign. Maybe a "stop ahead" sign to alert.

This petition is because of noise. Cars that do stop are great however many do a stop or rolling stop then screech out. This goes on day & night every 2, 3, o'clock in the morning I have migraine headaches often & the screeching doesn't help. Many we spoke to also are disturbed by the noise. Many homes have fences & gates so we were unable to check with them. Many cars & trucks fly thru the sign.  
 Please, Please help!!
