## Community Lifelines

A lifeline enables the continuous operation of critical government and business functions and is essential to human health and safety or economic security.

## Brevard County

- The Board of County Commissioners approved the use of up to \$4.4 million in CARES funds for housing rental and mortgage assistance, housing utility and security deposit, and food stability for individuals impacted by COVID-19.
- The Board of County Commissioners approved partnering with the Florida Division of Emergency Management for the establishment of a State-operated drive-thru testing site in Palm Bay, as well as pursuing community testing sites in north, central and beachside locations.
- Brevard County Beaches are open, excluding the area between Patrick Air Force Base south to Spessard Hollard Park due to multiple beach renourishment project. This section will reopen on May 7.
- County Libraries will begin opening in phases and in compliance with the Governor's 25% capacity recommendation and CDC recommendations for social distancing and sanitization.
- For the latest Brevard County Heat Map click [here](#)

## Community Feeding Operations:

- For information on food pantry locations and how to access help, utilize the United Way of Brevard's COVID-19 Community Resource guide by clicking [here](#) It is recommended that you call ahead to verify availability.
- Brevard County Public Schools continues to offer meals for students are free or reduced lunch at 27 food distribution sites. Click for [locations](#)

## Rumor Control:

- There are no plans to block the roads into Brevard on May 27 for the return to human spaceflight.
