## Community Lifelines

A lifeline enables the continuous operation of critical government and business functions and is essential to human health and safety or economic security.

## Brevard County:

- There is a 70% chance of subtropical or tropical development in the Bahamas this weekend. The system would be moving northeast away from Florida and no direct impacts are expected, although the rip current threat is expected to increase.
- The Canaveral Port Authority opened Jetty Park at 50% for beach access parking only, no campground stays permitted. Click [here](#) to view additional information.
- Brevard County campgrounds Manatee Hammock, Titusville; Wickham Park, Melbourne; and Long Point, just north of Sebastian, are open at no more than 50% capacity. Every other campsite can be occupied.
- Brevard County government offices will reopen on Monday, May 18, with social distancing measures in place. Some offices will operate by appointment only.
- Brevard Zoo will open on May 23; to view visitor guidelines, click [here](#)
- Access business continuity and disaster recovery resources at [www.SpaceCoastEDC.org/COVID-19](http://www.SpaceCoastEDC.org/COVID-19)
- For the latest Brevard County heat map, click [here](#)

## Community Feeding Operations:

- For information on food pantry locations and how to access help, utilize the United Way of Brevard's COVID-19 Community Resource guide by clicking [here](#). It is recommended that you call ahead to verify availability.
- Brevard County Public Schools continues to offer meals for all children up to 18 yrs old or reduced 27 food distribution sites. [Click for locations](#)
