

COVID-19 Community Report

Date: Wednesday, May 26, 2021 Time: 7:00 PM # 20-104

PREVENT COVID-19 DURING TRAVEL

 If you travel, take these steps:

Keep Distance & Wear a Mask

Wash Hands with Soap & Water

Or Use Hand Sanitizer

[cdc.gov/coronavirus](https://www.cdc.gov/coronavirus)

CS316358B 06/05/2020

Safer Travel Tips for Families with Unvaccinated Children

- If you are traveling with children who cannot get vaccinated at this time, follow recommendations for unvaccinated people and choose the safer travel options described below:
 - [Wearing a mask over your nose and mouth is required](#) on planes, buses, trains, and other forms of public transportation traveling into, within, or out of the United States and in U.S. transportation hubs such as airports and stations whether you are vaccinated or not
 - Avoid crowds and stay at least 6 feet (about 2 arm lengths) from anyone who is not traveling with you
 - Wash hands often or use hand sanitizer (with at least 60%) alcohol
 - Avoid contact with anyone who is sick
- CDC recommends delaying travel until you are able to get fully vaccinated
- Check CDC's [Domestic Travel](#) or [International Travel](#) pages for the latest recommendations for vaccinated and unvaccinated travelers
 - After travel, self-monitor for COVID-19 symptoms; isolate and get tested if you develop symptoms

Brevard County Updates

- Brevard County Government has a limited amount of funds to assist families who have lost a loved one due to Coronavirus. The [application for the program](#) is available at the Community Action Agency (Dr. Joe Lee Smith Community Center, 415 Stone Street, Cocoa, FL 32922), or [Brevard County's Housing and Human Services website](#).
 - Eligibility requirements include:
 - Cause of death on the death certificate must be directly or indirectly related to Coronavirus (COVID-19)
 - Example of indirect – heart attack (main) exacerbated by coronavirus
 - Brevard resident and household income below 150% of poverty (\$39,300 for a family of 4)
 - The [Emergency Rental Assistance Program](#) provides financial assistance and housing stability services for those impacted by COVID-19.
 - Eligibility requirements include:
 - Applicant is a resident of Brevard County and is below 80% of Area Median Income.
 - The applicant must sign all required documents or their application will be rejected/denied.
 - Documentation of all income from the entire Household as reported on the Household Income Section of the application (include 2 months of bank statements, paystubs, etc., or a 2020 tax return (IRS Form 1040)).
 - All members of a household must be accounted for in the application.
 - For applications filled out by hand, please make sure that the writing is clear and legible
 - Program statistics as of 5/21/21:
 - 848 applications received since 2/12/21
 - 601 (71%) from municipalities
 - 245 (29%) from County (unincorporated)

State and National Updates

- No later than Friday, May 28, all state COVID-19 testing sites will transition to local providers, such as primary care offices, retail, and pharmacies
 - Florida Division of Emergency Management can provide a [full list of COVID-19 testing sites near your location](#)
- The State is hosting [several mobile, one-day vaccination clinics](#) in partnership with local community organizations to increase vaccine access to all Floridians
- The CDC issued [guidance for fully vaccinated individuals](#) within the United States. Per the guidance, they can now resume activities that were done prior to the pandemic without wearing a mask or social distancing
 - Exception include:
 - Where required by federal, state, local, tribal, or territorial laws
 - Rules, and regulations, including local business
 - Workplace guidance
- The CDC states [COVID-19](#) cases have declined to their lowest levels in nearly a year and are continuing to decrease in most of the country. The 7-day average of daily new cases is 22,139, a 23% decrease from the previous 7-day average of 28,751
- Per the CDC, as of May 26, [more than 289 million doses of vaccines](#) have been administered in the United States and 49.7 % of the entire United States population over the age of 12 has had at least one dose of a COVID vaccine
