**Re: (RFP) 12-04 REMOVAL & REPLACEMENT OF EASTSIDE CULVERT AT ATZ ROAD
INTERSECTING WITH WEBER ROAD**

Ms. Wilbanks,

We are very interested in the "Town of Malabar (RFP) 12-04 "Removal & Replacement of Eastside Culvert at Atz Road Intersecting with Weber Road. Goodson Paving, Inc. is well established and has been doing business in East Central Florida and Brevard County since 1988. We have accomplished many multi-faceted projects throughout Brevard County, that include commercial, residential, City Government & County Government projects. We are currently Florida Department of Transportation Prequalified in drainage, grading, flexible paving & hot plant-mixed bituminous courses. We have in house capabilities to accomplish clearing, mass grading, curbing, roadway base installation, all types of site utility work, manufacturing & laying of many different mix designs of asphalt and many other ancillary services as needed to complete a variety of projects.

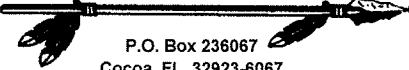

Our company is solid and well established. If needed, we can provide a certified copy of our financial statement at your request. Our surety agency is Waldorff Insurance & Bonding, Inc., who uses The Hanover Insurance Company for our bid, payment & performance bonds (other surety companies are at our disposal if Hannover is not on your list of approved sureties).

We take pride in our work and always provide a quality project, on-time. If you require further information or wish to discuss our qualifications, please do not hesitate to contact me directly. We look forward to partnering with the Town of Malabar on this project.
