RESOLUTION NO. 83-2011

A RESOLUTION OF THE TOWN OF MALABAR, BREvard COUNTY, FLORIDA, PROVIDING FOR COUNCIL APPROVAL OF BID FROM GOODSON PAVING, INC. FOR LACourt LANE PAVING PROJECT; PROVIDING FOR CONFLICT; PROVIDING AN EFFECTIVE DATE.

WHEREAS, Malabar Town Council has determined the need to replace pavement on LaCourt Lane between Hall and Atz Roads; and

WHEREAS, Malabar Town Administrator advertised and requested bid proposals for this project and received three submittals; and

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF MALABAR, BREvard COUNTY, FLORIDA, that:

Section 1.

The Town Council of Malabar, Brevard County, Florida, hereby selects and approves Goodson Paving Inc. as the contractor to replace pavement on LaCourt Lane for a price of $80,649.14.

Section 2.

The Town Council of Malabar, Brevard County, Florida, hereby authorizes and directs the Town Administrator to direct the funds to be allocated for this project from Capital Outlay in Streets and Roads Department in this budget.

Section 3.

The Town Council of Malabar, Brevard County, Florida, hereby authorizes and directs the Town Clerk to notify the selected company advising that a Building Permit and the required Inspections will be a required part of this project.

Section 4. Conflict.

All resolutions or parts of resolutions in conflict herewith are hereby repealed.

Section 5.

This resolution shall take effect immediately upon its adoption

This Resolution was moved for adoption by Council Member [Signature].
This motion was seconded by Council Member Acquaviva and, upon being put to vote, the vote was as follows:

- Council Member Carl Beatty: Nay
- Council Member David White: Excused
- Council Member Steven (Steve) Rivet: Aye
- Council Member Jeffrey (Jeff) McKnight: Excused
- Council Member Marisa Acquaviva: Aye

This Resolution was then declared to be duly passed and adopted this 16th day of May, 2011.

Re: Paving Overlay Services-LaCourt Lane

Gentlemen,

We are very interested in the “Town of Malabar (RFP) 11-01 Paving Overlay Services – LaCourt Lane Project. Goodson Paving, Inc. is well established and has been doing business in East Central Florida and Brevard County since 1988. We have accomplished many multi-faceted projects throughout Brevard County, that include commercial, residential, City Government & County Government projects. We are currently Florida Department of Transportation Prequalified in drainage, grading, flexible paving & hot plant-mixed bituminous courses. We have in house capabilities to accomplish clearing, mass grading, curbing, roadway base installation, all types of site utility work, manufacturing & laying of many different mix designs of asphalt and many other ancillary services as needed to complete a variety of projects.

Our company is solid and well established. If needed, we can provide a certified copy of our financial statement at your request. Our surety agency is Waldorff Insurance & Bonding, Inc., who uses The Hanover Insurance Company for our bid, payment & performance bonds (other surety companies are at our disposal if Hannover is not on your list of approved sureties).

We take pride in our work and always provide a quality project, on-time. If you require further information or wish to discuss our qualifications, please do not hesitate to contact me directly. We look forward to partnering with the Town of Malabar on this project.

Best regards,

Phil Stiffler – Vice President

COCOA FL 32926

RE: CERTIFICATE OF QUALIFICATION

Dear Sir/Madam:

The Department of Transportation has qualified your company for the amount and the type of work indicated below. Unless your company is notified otherwise, this rating will expire 6/30/2011. However, the new application is due 4/30/2011.

In accordance with S.337.14 (1) F.S. your next application must be filed within (4) months of the ending date of the applicant’s audited annual financial statements and, if applicable, the audited interim financial statements. Section 337.14 (4) F.S. provides that your certificate will be valid for 18 months after your financial statement date. This gives a two month period to allow you to bid on jobs as we process your new application for qualification. To remain qualified with the Department, a new application must be submitted subsequent to any significant change in the financial position or the structure of your firm as described in Section 14-22.005(3), Florida Administrative Code.

MAXIMUM CAPACITY RATING: $11,000,000.00

FDOT APPROVED WORK CLASSES:
DRAINAGE, FLEXIBLE PAVING, GRADING, HOT PLANT-MIXED BITUM. COURSES

FDOT APPROVED SPECIALITY CLASSES OF WORK:
NONE

You may apply, in writing, for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code. Please be advised if certification in additional classes of work is desired, documentation is needed to show that your company has done such work with your own forces and equipment or that experience was gained with another contractor and that you have the necessary equipment for each additional class of work requested.

Sincerely,

Juanita Moore

Roadway Maintenance, Materials, and Workmanship 
Payment and Performance Warranty Bond 
For LaCourt Lane Overlay Project 
Town Project No. 11-01

NOTE: *This form to be reproduced on Surety's official letterhead prior to submittal.*

KNOW ALL THESE MEN BY THESE PRESENTS, THAT ____________________________ referred to as the Contractor and ____________________________, hereinafter called Surety, are held and firmly bound unto THE TOWN OF MALABAR, a political subdivision of the State of Florida, in the full and just sum of ____________________________DOLLARS, lawful money of the United States of America, to the payment of which sum, well and truly to be made, and for the performance of all work described herein the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Contractor has constructed an Asphalt Overlay of the Public Street named LaCourt Lane, in THE TOWN OF MALABAR, Florida, known and identified as follows:

From the North edge of pavement of Atz Road to the south edge of pavement of Hall Road.

and made the connection between said Roads therewith; has installed with the approval of the Town Engineer in compliance with construction specifications approval granted the _______day of May, 2011 by THE TOWN OF MALABAR.

NOW THEREFORE, THE CONDITION OF THIS OBLIGATION IS SUCH that if the Contractor shall perform and maintain all improvements required as a condition of the construction specifications approval, the surface overly in first class condition for a period of one (1) year from the date of issuance of Certificate of Completion, and that if the Contractor shall correct any deficiency or fault in materials, workmanship or structural integrity of the required improvements including, but not limited to, the repair any "pot-hole", asphalt shoving or roadway edge raveling which will adversely affect the structural integrity of the roadway surface for a one (1) year period following issuance of final 10% Retainage payment of the construction contract made by the Town and shall pay any and all costs of expenses incidental to the performance of any work required to be performed hereunder, then this obligation shall be void; otherwise, to be and remain in full force and effect.

FURTHERMORE, if at any time during the one (1) year period following the final 10% Retainage payment, the Town notifies the Contractor and Surety, in writing, of any deficiency or fault in materials, workmanship or structural integrity of the required improvements including, but not limited to, the development of pot-hole(s), edge raveling and/or pavement shoving, then this bond shall continue in full force and effect until such deficiency or fault is corrected.

Signed, sealed and dated this the _________day of ____________________________, 2011.
