## April Check-in

The Town of Malabar hosted its own Trash Bash Event on April 6th and it was a blast! We had local volunteers come together to collect trash at the Malabar Community Park, Town Hall, and on the corner of Atz and Corey Road. With everybody's help we were able to cover more ground and it wouldn't have been possible without our volunteers! We collected 1,020 lbs of trash from our parks and rights-of-ways. Thank you to everyone who volunteered! There are more pictures from the event on our Facebook page. For future Town hosted events, if you take pictures make sure to tag us!

## Public Works Services

If you would like to request road maintenance or ditch maintenance, please scan the QR code to the side and fill out the request form. This form is located on our Helpful Links page on our website labeled "Malabar Citizen Contact Portal." You can also call Town Hall at 321-727-7764.

## Put Litter in its Place

Each year, over 51 billion pieces of litter end up on U.S. roads, which can clog storm drains and end up in our waterways. Pick up litter to keep Brevard beautiful!

# FPL Preventative Maintenance

Florida Power & Light Company (FPL) has scheduled preventative maintenance trimming in the following areas to take place this year. Trees and vegetation are a leading cause to outages- especially during hurricanes and severe weather. For more information, you can visit our website under the Public Works Department page. The page is labeled “FPL 2024 Scheduled Preventative Maintenance Trimming”
