AGREEMENT

In consideration for allowing the Town of Malabar (hereafter known as the Town) to enter and place certain materials on your private property, I (Name of Property Owner)

at (Property Address)

Malabar, FL, 32950 agree to the following:

1. Spoils dredged may consist of dirt, sand, clay, rocks, grass, sticks, limbs or other organic material, but not limited to the forgoing.
2. Price per load (15 Yards) is \$160.00, tax included.
3. The Town will only place said materials in one (1) location as designated by the property owner.
4. The Town will not distribute said material on property. Such distribution, grading, leveling, filling or other relocation of said materials is the sole responsibility of the property owner.
5. The property owner is responsible for meeting all Town, County, State and Federal requirements for placement of soils and will hold the Town harmless in this regard.
6. The property owner is responsible for locating and informing the Town and its employees of the location of culverts, septic tanks, septic fields, and any other buried devices/pipes/conveyances that could be damaged by transporting said materials over the aforementioned. Moreover, the property owner will hold the Town harmless in this regard and any and all damages resultant thereof. The Town must be fully satisfied as to property owners information as to the foregoing and retains the right of refusal to enter the property in this or any other regard.
7. Materials placed on the property at the owner's request become the property of the owner and will under no circumstances be removed by the Town.
