## **Town of Malabar Automated Phone System**

After the New Year holiday, the Town of Malabar has implemented a new automated phone system at Town Hall. This system is intended to better direct calls to their appropriate departments. When calling Town Hall, a resident will now hear basic information about the hours of operations, and instructions to follow in case of an emergency. After that, callers will be offered the following options:

1. Building Department
2. Citizen Inquiries
3. Fire Department
4. Finance Department
5. Employee Directory
6. Stormwater/Code Compliance Hotline
7. Operator

At any time during the call you may press a number to be connected with the department. Thank you for your understanding as we roll out this new device.
