# Monthly Newsletter

*we're so glad you're here!*

## Happy New Year!

The Town of Malabar newsletter has gone by “The Mailboat” in past years to remember R. A. Ward who would travel from Jacksonville to Malabar via boat to deliver mail twice a week in the 1880’s. Just as the way we receive and send mail has evolved over the years, so is the way we receive our news. We want to ensure that news is accessible to everyone and that is why we have made this digital newsletter. No more feeling guilty about throwing paper away after taking the long walk to the mailbox! On the Town of Malabar website, there is a “Subscribe” button between the “Contact us” and “Find it Fast” buttons. Click that Subscribe button to get email notifications when we post a newsletter, you won’t want to miss any exciting developments!
