

## **New Malabar Newsletter Format**

The Town of Malabar will be moving our monthly Newsletter to an online format. Once a month, a new newsletter will be uploaded to the Town website, [Townofmalabar.org](http://Townofmalabar.org). A new feature to help residents is the new subscription option on our website. Residents can subscribe to receive an e-mail notification whenever a new newsletter is uploaded. Please help us spread the word by telling your neighbors!

- 22 Roads Maintained with the Slope Mower

## **Malabar SpringFest Celebration**

Malabar is proud to be hosting our annual SpringFest this month, on March 20<sup>th</sup>. The event will be held at Malabar Community Park, located at 1850 Malabar Road. The event will run from 9 A.M. to 1 P.M. Dolphin Auto will be presenting a car show. Awards will be given out for eleven (11) different classes. Pre-registration for the Car Show is \$15, and day of registration is \$20. Last year's Car Show had over 100 cars, and all participants enjoyed the great display of vehicles. Malabar Fire Rescue Department will give a demonstration of the vehicle extraction tools commonly known as the Jaws of Life. The Fire Rescue Department will also have a few cars on display for demolition. Hammers of all sizes will be provided for people to hit, break, and otherwise destroy these donated vehicles. There has even been a discussion of having a medivac helicopter doing a display landing during the event. With an event docket this full, make sure to plan time to bring out the whole family!

There will be a 50/50 raffle for this year's event as well! Tickets will be on sale for five dollars apiece, or five tickets for twenty dollars. All of the funds raised by this year's 50/50 raffle will be donated towards the replacement of the Malabar Commintute Park Playground. Interim Town Manager Lisa Morrell has generously agreed to match whatever profits are raised for this fine endeavor.

Food for SpringFest will be provided by local vendors. Long time area resident Ruth Vail will be selling Sno Cones from her Sno Tiki food truck. Malabar resident Kelly Hare will be on site displaying and selling her homemade cupcakes from her company Sunshine Cupcakes. Also in attendance will be Mr. Hall, an Orlando area resident, who is bringing his Lobster and Steak food truck just for this event! Be sure to check out these local and delicious food vendors for a morning snack!

Due to the COVID-19 pandemic, the kids-zone will look a little different this year. Malabar resident Andrew Diaz is the owner of King Party Rentals, and he is donating a trackless train for kids to enjoy during the event. There will also be DIY kits for children to do some fun take home activities. All DIY kits are individually wrapped and available free of charge at the Town of Malabar booth.

We are very excited to be putting together this event once again. If history holds true, this event will be a fun day for the whole family! We all look forward to seeing you and your family in attendance!
