VOLUNTEER FIREFIGHTER APPLICATION AND INFORMATION PACKET

Dear Volunteer Applicant,

Thank you for your interest in the Town of Malabar's Fire Department Volunteer Fire Fighter Membership and Roster. Malabar Fire Rescue depends on committed volunteers of certified fire fighters with the State of Florida to augment our talented team of Lieutenants and Driver Engineers who share in the rewarding and selfless profession as first responders.

The Malabar Fire Department has a review and selection process for all positions and applications, to include volunteer firefighter service members. Please review the entire packet and service agreement prior to completing and submitting an application for the Fire Chief's review committee to join our first responder team.

The volunteer service has levels of expectations of each member to be professional, courteous, and a calling to serve the community. Every member shall be able to commit to a regular attendance schedule of 12 hours per week which equates to 48 hours per month, the minimum monthly volunteer service hour commitment. Malabar Volunteer Fire Fighters are eligible for a small monthly incentive, defined as pay-per-call, after completing 48 service hours within the same month of service.

The benefit of the volunteer program for State of Florida Certified Fire Fighters is the opportunity to serve the Town of Malabar's residents, business, and visitors as a member of the Malabar Fire Department. Under leadership of our dedicated and professionally trained Lieutenants, you will experience and respond to calls for service to protect life and property as well as ample training opportunities for certification credits and advancement in the fire rescue profession. We are committed to each volunteer firefighter member career and service goals as much as the member is committed to attendance and participation.

Being a volunteer firefighter is rewarding and a selfless act for the safety of others and we look forward to your application. The next part of the package lists the criteria needed for membership, as well as step-by-step explanation to assist you as you go through the application process. If at any time you have questions, please contact my office with any inquiry regarding the Volunteer Firefighting role.

Thank you,

Michael Foley
Fire Chief,
Town of Malabar

!!!!!!Employment Drug Screening. The applicant must schedule an appointment at Health First
!!!!!!Advent Health Centra Care Malabar after receiving the authorization letter.

The following items are the **financial responsibility** of the applicant for consideration of membership eligibility:

9. The completed Medical Examination per the provided form and a fit for duty status authorization from a certified medical provider in the State of Florida.

MALABAR FIRE DEPARTMENT

FIRE CHIEF MIKE FOLEY
FIRECHIEF@TOWNOFMALABAR.ORG

1840 MALABAR ROAD

MALABAR, FLORIDA 32950

(321)-725-1030

Submit the following forms and documents to the **Town Administration Office** located at 2725 Malabar Road, Malabar, Florida 32950.

Important: These documents shall not be emailed as the documents contain your personal identification:

1. Completed I9 IRS Form I9, Employment Eligibility Verification with Acceptable Documents from List.
2. W4 Form, Payroll Authorization Form and Voided Check for Direct Deposit, these are applicable to any earned pay-per-call incentives.
3. A Check or Money Order for your background check in the amount of \$30.00 dollars payable to the Town of Malabar.

Upon receipt of the application and supporting documentation, the application will be reviewed and evaluated by the Town of Malabar Fire Department. The Fire Chief may require an additional in person interview with the applicant. The Fire Chief will contact the applicant in writing for acceptance or denial of the application to serve as a Volunteer Firefighter Member.

After acceptance as a volunteer member, you will be assigned to a shift Lieutenant, and you will report to that shift for the duration of your probationary period. Your shift Lieutenant will be the one signing off your evaluation form. New members serve in a probationary status six months. During this time, the performance and behavior of the probationary member will be monitored and documented. The member is not permitted to access to the fire station during unapproved shifts, unless approved by the Fire Chief or designated Officer on Duty. The Fire Chief has the authority to terminate membership as volunteer fire fighter with no cause during a probationary period.

Upon termination or separation from the membership, by either the member or by the agency, the member shall return any and all Town of Malabar issued items to the member through the Fire Department. The department shall maintain a list of issued equipment to each member that shall be used for the separation check list. Any missing issued equipment will be the financial responsibility of the member to restore public funds to the agency. The Member shall report any damage or loss of Town issued equipment to the shift Lieutenant immediately upon incident for report, inventory change documentation, follow up corrective action plan(s), and restoration of safety and required equipment for active fire responder personnel. Therefore, the member issued items should be up to date and accountable for both the member and the agency representative.

VOLUNTEER FIREFIGHTER MEDICAL EXAMINATION FORM

Per Florida Statute 633.34(5), this medical examination needs to be completed by a medical examination given by a physician, surgeon, or physician assistant licensed to practice in the state pursuant to chapter 458; an osteopathic physician, surgeon, or physician assistant licensed to practice in the state pursuant to chapter 459; or an advanced registered nurse practitioner licensed to practice in the state pursuant to chapter 464. Such examination may include, but need not be limited to, provisions of the National Fire Protection Association Standard 1582.

The examining medical professional needs to be aware of the type of physical activities the individual will be performing during firefighting.

The examination should reveal any condition or deficiency which would interfere with the performance of described activities.

Of major concern, is if the safety or health of the individual would be compromised by permitting him/her to engage in the described activities due to any preexisting or current medical condition, injury, illness or deficiency revealed during the medical examination.

ESSENTIAL FUNCTIONS WHICH FIREFIGHTERS ARE EXPECTED TO PERFORM (NFPA 2022 1582):

- 1) Wear personal protective equipment (PPE) and self-contained breathing apparatus (SCBA) that weighs approximately 50 pounds while performing firefighting tasks (e.g. hose line operations, extensive crawling, lifting and carrying of heavy objects, ventilating roofs or walls using power or hand tools, forcible entry, rescue operations, and other emergency response actions under stressful conditions, including working in extremely hot or cold environments for prolonged time periods,
- 2) Wearing an SCBA, which include a demand-valve-type positive-pressure facepiece or HEPA filter mask, which require the ability to tolerate increased respiratory workloads
- 3) Exposure to toxic fumes, irritants, particulates, biological (i.e., infectious) and nonbiological hazard, or heated gases, despite the use of PPE and SCBA
- 4) Climbing at least six flights of stairs or walking a similarly strenuous distance and incline while wearing PPE and SCBA, commonly weighing 40-50 pounds. and carrying equipment/ tool weighing an additional 20-40 pounds
- 5) Wearing PPE and SCBA that is encapsulating and insulated, which will result in significant fluid loss that frequently progresses to clinical dehydration and can elevate core temperature to levels exceeding 102.2°F
- 6) Working alone, while, wearing PPE and SCBA, searching, finding, and rescue-dragging or carrying victims ranging from newborns to adults, weighing over 165 pounds to safety despite hazardous conditions and low visibility
- 7) While wearing PPE and SCBA, advancing water-filled hose line up to 1 ¾ inches in diameter from fire apparatus to occupancy [approximately 150 feet], which can involve negotiating multiple flights of stairs, ladders, and other obstacles
- 8) While wearing PPE and SCBA, climbing ladders, operating from heights walking or crawling in the dark along narrow and uneven surfaces that might be wet or icy, and operating in proximity to electrical power lines or other hazards
- 9) Unpredictable, prolonged periods of extreme physical exertion as required by emergency operations without benefit of a warm-up period, scheduled rest periods, meals, access to medication(s), or hydration
- 10) Operating fire apparatus or other vehicle in an emergency mode with emergency lights and sirens
- 11) Critical, time-sensitive, complex problem solving during physical exertion in stressful, hazardous environments, including hot, dark, tightly enclosed spaces, that is further aggravated by fatigue, flashing lights, sirens, and other distractions
- 12) Ability to communicate e (i.e. give and comprehend verbal orders) while wearing PPE and SCBA under conditions of high background noise, poor visibility, and drenching from hose line or fixed protection systems (e.g., sprinklers)
- 13) Functioning as an integral component of a team, where sudden incapacitation of a member can result in mission failure or in risk of injury or death to member of the public or other team members
- 14) Working in shifts including during nighttime that can extend beyond 12 hours

I, _____, state that all of the information I give to the examiner will be (to the best of my knowledge) completely honest. I further understand that should I knowingly provide the examiner with any false information I may be subject to termination from the Malabar Fire Department.

VOLUNTEER FIREFIGHTER AGREEMENT

For ALL Active and New Members

Subject: Active Member Status

In order to maintain an active member status with the Malabar Fire Department, the minimum requirements must be met each month:

- Submit schedule on or before due
- Minimum 48 duty hours
- Minimum 8 training hours
- Zero incidents of no call/no show for duty

Any violations of the above by a probationary member is immediate termination.

Failure to meet any of the above minimum requirements in any 30-day period, or failure to communicate a valid justifiable reason (requires documentation) will result in the following. There are **No Exceptions.**

1st Occurrence written warning, with 60-day probation.

2nd Occurrence termination.

Malabar Fire Rescue is second to none; there is nothing convenient in the delivery of emergency services. If you cannot meet these requirements this is not the organization for you. We are aggressive and progressive, one team with one common goal. Success accomplishing the job and return home safely from shift.

I, _____, agree that if I fail to maintain my commitment of volunteer hours with the Fire Department for a period of 12 months. I will surrender all Malabar Fire Department issued equipment immediately and separate from the membership.

TOWN OF MALABAR ANTI-FRATERNIZATION POLICY

DATE OF MEMORANDUM: OCTOBER 18, 2018

APPROVED BY: MATTHEW STINNETT, TOWN MANAGER

FROM: MICHAEL FOLEY, FIRE CHIEF

REF: "ANTI-FRATERNIZATION POLICY"

15-FC-036

"Anti-fraternization policy"

To avoid the dangers of management fraternization with a subordinate employee, and to help prevent even the appearance of improper conduct, favoritism, improper use of authority or sexual harassment, it is the policy of Malabar Fire Rescue, that managers, supervisors or any other employee who has the authority to directly or indirectly affect the terms and conditions of another's employment shall not fraternize with that employee, nor shall any employee maintain such a relationship with any employee of Malabar Fire Rescue.

The fraternization prohibited in this policy includes dating, romantic involvement or sexual relations and does not include and is not meant to discourage friendship or social activities among staff, employees, and or volunteer members. Should a personal relationship prohibited by this policy be contemplated:

The supervisor, manager or employee involved is required to notify the Fire Chief immediately, as well as notice to the Town Manager. Whereas a relationship prohibited by this policy exists, Malabar Fire Rescue and Town Management shall take whatever action it believes necessary to remove the parties from any continued contact and/or supervisory line of authority without compromising Malabar Fire Rescue operations and the interests of maintaining public safety. Management may consider the affected parties' opinions on how best to resolve the situation (i.e. resignation, relocation, etc.) prior to making a decision.

Malabar Fire Rescue management recognizes that the question of whether a relationship constitutes fraternization or simply a social relationship is a personal issue. However, because of the potential for inappropriate conduct, employees are encouraged to bring any questions regarding fraternization to the Fire Chief and Town Manager.

Violation of this policy will be followed up with progressive discipline up to and including termination.

I, _____, have read and understand policy 15-FC-036, entitled "Anti-fraternization!Policy".
